A Message From Coach Yinger

Our camp goal is to provide each player with instruction that will help strengthen fundamentals and success for his future experiences. We will strive to help our campers become better players and set a good example for them in how to play the game the right way.

We look forward to many exciting and successful seasons for the Pacer program and hope to have many of our campers become part of the Pacer Baseball Family.

Good luck this season and hope to see you at a game in the near future.
