

Delaware Athletic Boosters Board Meeting of March 15, 2010

In Attendance: John Cremer, Brent Weirtz, Jennifer Shaw, Dave Shellhouse, Keith Burns, Kevin Reed, Elaine McFarland, Al McFarland.

I. **Minutes-** This has been our first formal meeting since December of 2009. There are no minutes of our previous meeting to approve.

II. **Treasurer's Report-** We have incurred a tax penalty for the 2005-2006 year. The IRS says we did not file during this time, although returns were sent in. The IRS is holding \$7966.48 of DAB funds until this matter is cleared up. John passed out reconciliation sheets to all who attended and discussed income/expenses. A motion was made and carried to approve the Treasurer's Report.

III. **Athletic Director's Report-** Kevin discussed reasons for poor ticket gate revenues this year. The fees for officials will total over \$50,000.00. Any help from DAB to support various team sports would be appreciated.

There is a meeting this Thursday at Hoggies for the Turf Committee, a newly organized group hoping to spearhead a campaign to raise funds for new turf on Gautier Field. DAB officers are invited to attend.

IV. **Bingo-** Elaine needs core members.

V. **Team Reports-**

Baseball- JV/F and V have 25 boys on the roster. Hitting facility is nearly complete. A heating unit is the last item needed to be installed. Team is beginning official practice.

Girls Soccer- There is a parent meeting next Monday, March 22nd to discuss upcoming year.

Track- There is a parent meeting this Wednesday, the 17th. Brent and Jennifer are attending to share information on Boosters.

Basketball- Hoopsters has requested DAB pay \$200 toward the Worthington Summer League. DAB does not pay fees to tournaments as a rule. Our focus is on equipment and uniforms to support the athletic program at Hayes.

VI. **Old Business-** The Football meeting at Hayes was well done and productive. The Spaghetti Dinner at Dempsey was nice, but not conducive to bringing in new members to Boosters.

The Scholarship application for DAB is on the Hayes Guidance website under local scholarships. They are due by April 30th.

Booster Bucks were discussed. Elaine and Al shared how this fundraiser worked in Marion.

VII. New Business-

A motion was made and passed to donate \$100 to the Emergency Levy Renewal campaign. Jennifer will draft a 'Letter to the Editor' regarding DAB's support of the levy.

Our meeting in May will be at Hoggies. Coaches and Parent reps are invited to attend.

Minutes respectfully submitted by Jennifer Shaw
