**III. Old Business-** We need to investigate how the Kroger Card works as a fundraiser, and whether or not other organizations can use our Federal I.D. #.

**IV. New Business-** DAB sent flowers in memory of Larry Eberst. Several officers attended calling hours and funeral. A discussion as to whether we should reinstitute Bingo Bucks took place- tabled until next session. Season passes are now on sale. Check the Athletic Department's website for information. A question was raised as to whether or not the Athletic Department has a video camera that can be used, on a sign out basis, by various sports teams.
