

**Delaware Hayes Pacers  
Touchdown Club  
March 3, 2010 Meeting Minutes**

- Meeting called to order by President Karen Harris at 6:05 p.m.
- 20 parents and Coach LoParo in attendance.
- January meeting minutes approved: motion made by Tim DeVillers, 2<sup>nd</sup> by Bob Bender.
- Treasurer Tim Hackett distributed report with \$1,816 in available cash; \$12k in outstanding obligations (sporting goods stores). Treasurer's report approved: motion made by Al Hartley, 2<sup>nd</sup> by Rene Weber.
- President Harris asked for feedback from February mandatory parent TD meeting: all thought it went well and turnout was amazing, with more than 200 in attendance.
- Rene Weber and Coach LoParo reported on the Mulch Sale: we're using Blendon Gardens, they do all the work, except the marketing/mailing, which the boys helped collate for mailing; some 7,000 letters mailed this week, slight price increase to \$5/bag; boys will not be delivering. This is a much simpler fundraiser, though we'll be anxious to see how sales/profits are impacted.
- Tim DeVillers reported on the revised website: he's manipulating some graphics and making final touches and hopes to have it up and running soon.
- President Karen distributed "Activity/Event Template" document for all committee chairs to use to help record all the steps taken to produce a specific event/activity. This will be collected at the end of school year, compiled in a notebook, and will serve as both a recordkeeping document as well as a guide to help next year's committee chairs/officers.
- Marci DeWitt will be representing the TD Club at the Dempsey Spaghetti dinner night this week to sign up any interested kids/parents for football/TD Club.
- Cathy Hemans reported Bingo sign-ups are good; have enough to cover March, had good turnout last month as well.
- Coach LoParo's report:
  - turf committee moving forward, holding an event to get names of decision-makers, trying to secure large donors from business community
  - Boosters bought a sign for the weight room
  - weightlifting going well
- Meeting adjourned at 7 p.m. – motion made by Tim Hackett, 2<sup>nd</sup> by Traci Bender.
