Sept. 8, 2009

NEXT TD CLUB MEETING IS OCT. 6 AT 6 P.M. IN COACH LOPARO'S ROOM-PLEASE JOIN US!!!

Approve Ag. Minutes : Motion by Cathy Hemans, 2nd by Rene' Weber

Treasurer's Report: Tim Hackett passed out a report with transactions, savings account for sports program and proposed budget. Discussion by all attending regarding spending.

Coach's Report: Coach was not present this evening

OLD BUSINESS:

Pacer Cards: Received 500 additional cards. Marci DeWitt volunteered to take additional cards and placards to businesses who would like to sell them. There will be sheets for the patron to keep track of sales. Need to determine who at HS & MS have not turned in money or cards. Suggestion was made that another \$100 gift card be offered to the MS for most cards sold.

Sports Program Update: Tracy/Cathy shared with us that the graphic designer who worked on the program received a family sports pass but maybe it would be a nice gesture to give a gift certificate. Suggestion was made that a \$50 gift of Pacer Spirit wear be given.

NEW BUSINESS:

Rene' Weber asked if the TD Club or parent volunteers could provide the makings for sandwiches for the team's away games. The meat would be about \$40 with additional money needed for buns, water and a small dessert item. Motion by Kandi Aers, 2nd by Tracy Whited for the TD Club to provide the funds.

6 Convertibles are needed for the Sept. 18 Hall of Fame Night. The drivers/cars would get in free. Call to be made to Carolyn Riegle.

Homecoming Bonfire Committee:

Jean Cassan agreed to organize and plan this event. Date is Sunday, Oct. 4, 2009. Need additional volunteers to help run event. Sign up sheet went around. Hayes Marching Band will be able to attend this year. Karen Harris will give all information to Jean to begin planning.

JV Concessions: For home games that start at 10 a.m. Rene' W. could order food with the concession stand order and we would reimburse. Volunteers are needed to man the concession. DJ Sanfillipo will talk with the Dempsey principal about storing the items in her room.

Alumni Football Game : Rescheduled for Friday, June 18, 2010.

Alumni in General : We need to be aware of alumni who want to be involved. A former player wanted to know why we don't have a place on the website for donations. We need to brainstorm ways to involve the alumni. Tim Hackett suggested having the alumni stand behind the players or have alumni to team meal.

Selling items at Home Football Games: The MEX card made \$59 with only 2 people selling-thanks Bob Bender! Can we think of other money making items?

Who are the Parent Reps for each grade? Carol Bull will research and get back to Karen Harris

Memory Book Update: Kandi Aers reported that she is compiling clippings from all local papers for the book.

We need Webmaster to handle our website: Tim Devillers, dad of Kyle, will be able to work on this. Karen Harris will get permission for Tim to make changes to our site. Some ideas were a tab for alumni and a way to Google communications. Meeting adjourned at 7:38 p.m. by Kandi Aers, 2nd by Dawn Wright.
