

Touchdown Club Meeting

November 3, 2009

Motion to approve Oct. meeting minutes. Motion approved by Kandi Akers, 2nd by Kim McCoy.

Treasurer's Report:

Tim Hackett had some wonderful news for us regarding our debt to Roush Sporting Goods. Our new outstanding balance is \$8,380. The Athletic Boosters are paying the \$14,000.00 for the uniforms. The TD Club will be getting any more bills from Roush for the uniforms. Tim also issued reimbursement checks to Kandi Akers for materials used for the bonfire and to Eric Spalbury

Coach's Report:

Coach Loparo was not present. Coach Freado joined us. Some questions were asked regarding conference awards. Coach Freado told us that coaches vote on the awards. He also told us that if SWC by School survey does not pass, that Oentangy will move to our conference and we will also play Dublin Team and one other team.

OLD BUSINESS:

Pacer Cards: Tobi Goble brought in the cards that Mari DeWitt had taken to sell. Several vendors have cards to sell and will bring us the money for them. We still need to pay the winners of the MS and HS top sellers. Check with Alan Hartley on the MS and wait until the HS is decided. We still have approx. 400 cards. Discuss on how to go about selling the remaining cards. They were sold last year at Basketball games. We could try that again.

Sports Program Update: The deadline to get your ad in the winter program is Monday, Nov. 16. Please call Cathy Hemans at 369250 to place your ad.

Alumni Review: Not many alumni under the tent at the Orange game, but many alumni attended. Maybe a personal invitation is needed. Also maybe a banner that reads "Welcome Football Alumni", or maybe pick another game--Possibly homecoming?

NEW BUSINESS:

Golf Outing: Karen Harris has sent out RFQs to area courses. The baseball team raised \$11K at their outing. Karen has received quotes. Will do comparison for next meeting so we can book the date.

Memory Book Update: Kandi reported that all photos are up to date. TD Club approved the money to go ahead with Richardson Printing. Kandi also shared with us that Mr. Freado, our team photographer will give each senior player 2 photos-1 as a 5x7 and 1 to be put in the memory book.

Website: Tim Devillers not present

Awards Ceremony:

The awards ceremony is Dec. 3. We will honor the players, cheerleaders, ball boys, water boys. We will also have a gift for the coaches. Cheerleaders to be given a flower and necklace. Coaches will be given gifts. The Senior DVD will be shown. We still need your senior football player photos to be sent to Karen Harris asap. Mona Spalbury asked if we could make a change to the awards agenda by

grouping the Freshman football players and cheerleaders, the JV players and cheerleaders and Varsity players and cheerleaders. Maybe this would keep the awards moving and not last too long. The Seniors are holding a dinner for seniors on November 30. This dinner is being sponsored completely by senior parents. Please contact Mona Spalbury if you need any additional information. Karen Harris reported that the footballs to be given to Seniors as gifts are around \$50.00. That means that the TD Club will pay \$25 and parents will pay \$25. If you are a senior parent, please send your check to:
